

# Parents & Caregivers YOU'RE INVITED!

A Conversation About Kids, Screens & Growing Up in a Digital World

## Let's Talk Together.

As screens of all sorts become a bigger and bigger part of our lives and the lives of our kids, we'd like to invite you to be part of a conversation around how we, as a school community of parents, caregivers, and educators, can:

- Support our kids to stay safe online

- Help our kids find a healthy balance of screen time and other activities

- Understand how things like social media algorithms can impact us

Students in all grades have already been having these conversations in their classes, and we would love to fold in parents and families as well, so that you are part of the conversation.
